

All classes are held at Stanley Jones and Associates. Classes are filled on a first come first serve basis. Classes **must** be paid for upon registration. Payment deadline is **two weeks** prior to first start date of the first class your child is registered for. **Check with your social worker to see if classes can be paid for with community support grants or waiver dollars.** Payments may be mailed or dropped off at our office. For more information please call 507-288-0064 or E-mail [sjanews@sjatherapyservices.com](mailto:sjanews@sjatherapyservices.com) . Register on the website too!

### **Social Skills: Social Butterflies**

This group is led by two licensed Speech-Language Pathologists who will provide early social language group instruction necessary for improving social communication. Our therapist will set up activities that will encourage your child to use language appropriately to communicate with other children. Focus of this group will include: greeting friends, listening to others when they speak, maintaining attention, making and expressing choices, and basic sequencing for understanding conversation. Visual supports will be used and parent/family suggestions will be provided. In addition, snack time will be integrated into each session to provide an unstructured environment which is crucial for success in everyday life. **This group is for four to six students ages four to seven and will be held for six sessions on Tuesdays and Thursdays from 3:00-4:00 June 15, 17, 22, 24, 29 and July 1 Cost: \$ 200.00**

### **Munch-N-Sign**

Parents, bring a sack lunch and your preschool child for a lunch time class at Stanley Jones! This class is intended for preschoolers who are having difficulty communicating verbally and are using signs to supplement communication. The focus of this group will be to build a signing vocabulary, and to practice those signs for daily living, foods, actions, manners, basic concepts, and MORE! The class will be facilitated by two licensed Speech –Language Pathologists and will be limited to 4-7 preschool children and their parent(s). **Classes will be on Tuesdays and Thursdays July 13, 15, 20, 22 from 11:15-12:30 at Stanley Jones and Associates and the cost will be \$150.00.**

### **Its fun to be Social!**

Does your child struggle in social situations and in cooperative activities with other children? If so please read on. This summer class will provide opportunities for your child to work cooperatively with other children to develop skills in the areas of cooperative learning and appropriate interactive social dialogue with peers. Facilitated by two licensed Speech-Language Pathologists, this class will engage your child in tasks to develop skills in the areas of social language, cooperation, following directions, problem solving, and so much more! Home programming will be provided to guide parents in helping their child achieve these skills. This class is recommended for Elementary age children and will be limited to 8 participants. **The sessions will be held on the following Mondays from 10:00-11:00AM: July 12, 19, 26, and August 2. Due to the limited class size interested individuals should contact SJA promptly. The cost is \$150.00 which includes all materials.**

### **Summer Sensations with Mighty Muscles**

This group is led by a licensed Occupational Therapist. This class emphasizes core strength, bilateral coordination, and sensory processing activities to allow your child to explore his/her environment and build muscle strength to be able to maintain good posture and balance. The therapist will utilize weight cuffs, swings, floor scooters, weight belts, vests, trampolines and other types of sensory/movement equipment with your child. Various motor planning tasks and active movement skills will encourage your child to integrate sensory and movement experiences into their everyday life. **This class will meet two times per week, for three weeks with 15 minutes to answer parent questions. July 6, 8, 13, 15, 20, & 22 from 9:00-10:30 Cost: \$ 200.00**

### **Get Ready, Get Set School**

This camp is designed to prepare children at the **pre-writing to early printing level** to get a head start on school and gain confidence in their skills. This camp will emphasize fine motor, and eye hand coordination. Class focuses on pre-printing, printing, cutting, social/group skills, and attention. The developmentally based, multi sensory **Handwriting Without Tears** curriculum will be used for the pre-printing and printing portion of this group, which is led by two Occupational Therapists. To assure that all children meet the pre-requisites for this group, a short pre-screening will be required. **This class meets eight times in two weeks to provide an intense program. This class will be held August 2,3,4,5 and August 9,10, 11, 12 from 10:00-11:00 Cost: \$ 200.00**

### **Mindful Movements**

Does your child have difficulty copying from the board, skipping words, reversing letters, or poor spacing of letters? Do you notice your child bumping into objects, having difficulty playing with a ball? Your child may be demonstrating visual processing difficulties. This class will use fun fine motor and gross motor activities to help your child develop visual processing skills. To facilitate the carry over of the skills learned in the class, parents will be provided with home programs. To assure that all children meet the pre-requisites for this group, a short pre-screening will be required. **The class is for children with developmental ages 5-9. The class will meet at 10:30-12:00 Monday, Tuesday, Thursday and Friday for 2 consecutive weeks. July 19-July 30<sup>th</sup> Cost: \$200.00**

### **Peer Play Group**

This class focuses on social skill development within the context of physical activity and play. Participant's parents will be asked to provide a peer from the child's neighborhood or school for peer modeling and to facilitate relationships within the child's environment. If you are unable to find a peer we will attempt to assist in finding a peer partner. Participants will be encouraged to contact each other and organize activities outside of the group. Contact a SJA Case Manager for more information. **This group meets two times a week for four weeks. July 6, 8, 13, 15, 20, 22, 27, 29 from 2-3:30 Cost: \$200.00 for both children.**

### **Jump Start to Gait Training**

This class is intensive one-on-one training with classes four times per week for two-three weeks (pending evaluation and insurance authorization). The class involves core and limb strengthening activities in preparation for improved independence in functional walking. Treadmill training and the Lite Gait device may be used during the class. The Lite Gait is a partial weight bearing, body supported therapy that has shown to be an effective means to improve walking. Insurance options are utilized for this class. **This hour long class will be offered at 11 AM and 1 PM starting June 14-July 1 and July 19<sup>th</sup> –August 5th. Gait training is offered on a first come first serve basis. Please call SJA Case Manager at 288-0064 to schedule or for more information.**

### **Accelerated Therapy**

This treatment program will incorporate a variety of techniques including; core work, modulated music and activities to provide vestibular, proprioceptive and deep pressure input. Intensive therapy is a one-on-one program which meets for one hour three to five times per week for two to four weeks in June (pending evaluation and insurance authorization). Insurance options are utilized for this program. Please call a SJA Case Manager at 288-0064 to schedule or for more information.
